

## Everything better in doubles – tennis included

The annual Niagara-on-the-Lake Tennis Club mixed doubles championships saw 32 of the area's best tennis players competing at the Memorial Park tennis courts recently.

Fabulous weather, great camaraderie and some challenging tennis ensured an outstanding event.

A team of volunteers pro-

vided an endless supply of good food and refreshments for the players. After some hard-fought matches the winners were:

The Donnelly Trophy-Charlotte and Nick Petrick (Charlotte is one of Canada's top junior players and she realized one of her dreams of winning a tournament with her brother Nick).

Niagara Realty Trophy-Hugh Dow and Shirley Rednall.

Crabtree and Evelyn Trophy-Don Cruickshank and Kate Mee.

Mixed Double Consolation-Derrick Penman and Joan Coyne.

The next events on the club's calendar include the Women's Doubles

Championships Sept. 7, followed by the Men's Doubles Championships on Sept. 8.
