# NEW TENNIS COURTS OFFICIALLY OPENED.

## LARGE CROWD ATTENDS JUNE 7 RIBBON-CUTTING CEREMONY

### A RICH HISTORY

Tennis is part of our Town's heritage.

International tennis tournaments took place as far back as 1895 at the Queen's Royal Hotel on King Street at the Lakefront. The current club was founded in 1970 with 26 members. Memorial Park was selected as the current location of the Club in 1986.

Today there are over 260 Club members. Future plans include additional courts and a clubhouse facility.

### THE NEW COURTS

Following a competitive tender by the Town's Park and Recreation staff, work started on the new courts in the Fall of 2013.

Club members voted for a new "Soft Asphalt" surface to replace the aging Omniturf artificial grass courts.

Funding for the new courts was provided by the Town, a Ontario Trillium Foundation grant and the Club.

### TENNIS FOR PLAYERS AT ALL LEVELS

Tennis club members can arrange their own games, and use the Memorial Courts on an "as available" basis. Many members, however, prefer to have games arranged at set times each week, and to work this into their schedules.

For 2014, the Club has a busy program with a wide variety of arranged games, suiting players at all levels.

### COACH'S CORNER – A NEW FACE

The Club is very fortunate this year to have secured the services of Reggie Vasquez, a well-known tennis instructor with over 25 years of experience. From rank beginners, anxious to learn the fundamentals of tennis through to aspiring high performance college level players, Reggie can provide specially developed programs that deliver impressive results.

In addition, Reggie will be offering an extensive range of Juniors'/Children's programs over the course of the summer, together with a Kids' Summer Camp. Details can be found on the Club's website, www.niagaratennisclub.com.

Reggie can be contacted directly at reggie@niagaratennisclub.com or 416 627 0354.

### MORE THAN JUST TENNIS

Tennis is a competitive sport and the Club provides many opportunities for members to engage in matches and tournaments, etc. Just as important, however, is the social aspect of the game. An opening BBQ launches every new tennis season, which is then followed by our annual "Wimbledon Whites" party, held at the Sand Trap Pub, complete with strawberries and cream. The Club's Championship Tournaments are always well attended, as is the closing season Tennis Ball/Dinner/Dance.

### OPEN- HOUSES

For anyone interested in trying the new courts at Memorial Park and learning about the Club's activities, there will be a number of "Open Houses" during the month of June. These will take place on Wednesdays between 10:00 – 11:00 am and Saturdays between 11:00 and 12:00 noon.

### CONTACT DETAILS

The Club operates an excellent website at www.niagaratennisclub.com. General information can also be requested at www.askus@niagaratennisclub.com.
