Championship Weekend - Saturday & Sunday, August 22 - 23

This is a fun weekend at the courts with lots of tennis action on Saturday for our Ladies Doubles Qualifying Rounds and Men's Doubles on Sunday.

A tournament supper is scheduled for Sunday at 5:00 pm. If you are not playing in the tournament, members are invited to drop by the courts and cheer on the teams. Both **Men's and Ladies Finals** are being **played on Sunday** so mark you calendar. A tournament supper follows and guests are welcome to join us for dinner, a \$10 pp charge applies for guests.

So here is the schedule summary:

- Saturday - 10 am - 3 pm Ladies Doubles Tournament Qualifying Rounds**
- Sunday - 10 am - 4 pm Men's Doubles Tournament Qualifying Rounds**
- Sunday - 4:00 pm Ladies Doubles Finals / Men's Doubles Finals**
- Sunday - 5:00 pm Tournament Supper (included in tournament fees, guests welcome, \$10 pp)**

Singles - Tournament Update

Last Saturday all of the players in the NOTL Men's Singles Tourney arrived knowing that in sport, anything can happen. That's why we play the games.

The unexpected happened in Toronto, with Serena Williams being upset by a relative unknown. It didn't happen in NOTL, where Champ Gerry played true to form. Attaboy. But, we will continue to play the games and practice. There's always next year, eh?

[Click here for](#) highlights of the games. A must see! Many thanks to Coach Reggie for the great video highlights.

Niagara Belle - Sunset Cruise, What A Night

It was a great evening attended by about 30 Club Members & guests. Good food, good company, good time had by all ! We will let the pictures speak for themselves.

Plans underway to add this to our Club Events calendar for next year. So if you were not able to make it this time, mark you calendar for next year.

Update - Communications Tower in Memorial Park

Just a quick note to update members on a topic that is being discussed at the Municipal level. You may have noticed over the past months that there have been some Public Meetings scheduled as part of the planning processes regarding locations for additional Communications Towers in Niagara on the Lake and more specifically the Old Town. While no formal decisions have been made, there is a high probability that a communications tower will be located in Memorial Park.

There have been some suggestions being circulated that this tower would be located adjacent to the Tennis Courts and would alternately be used in some manner for court lighting. This suggestion is not supported by the Tennis Club and the Parks & Recreation Department is also in agreement that the Communications Tower **SHOULD NOT** be located adjacent to the tennis courts. Other locations in Memorial Park are under consideration.

Any residents can express their views on this matter directly to the Parks & Recreation Department.
