GO TENNIS LESSONS

Seize the last week's of summer as an opportunity to discover, or rediscover all the wonders of Tennis! Grab a friend and a racket and join us for some lesson programs. We get you going on the court: our Go Tennis signature lesson program brings new meaning to a group lesson. Go Tennis includes a short dynamic warm-up, a cardio workout including skills and drills and a cool down game which brings out the competitive nature in most tennis players. (Lesson Fee - \$15.00) We teach the basics of the game to all ages, quickly and easily in a fun, active and encouraging environment. A great social outlet, not to mention an all-over workout; tennis is where fun and fitness meet.
