New name, but same great spirit!

Since Club activities are all well underway by the end of May, our first "event" of the season has a new name to better reflect the spirit of the afternoon

We especially invite our **new** Club Members to join us. It is a great way to get involved in the Club and meet the NOTL Tennis Community.

Come in tennis gear and take part in fun on court activities with the leadership of **Reggie Vasquez, Club Pro**. The Ball Machine will also be out on the court so members can have an opportunity to see it in action. Terry Francis and his Committee will be available to answer any questions on how to get involved in the program.

Pam will be on hand from [Pam's Pro Shop](#) with a selection of tennis gear available for purchase.

Our on-court activities will wrap up with a 30 minute Exhibition Match featuring:

Charlotte Petrick, Touring Pro
Shawna Macfarlane, USTA Tennis Pro
Gerry McIlhone, Club Singles Champion
Hugh Dow, Ontario Seniors Game Doubles Champion

With this caliber of players in the lineup, it is sure to be an exciting and entertaining match.

After all the on-court activities, everyone will no doubt be ready for some nosh. The Club is once again providing gourmet Ravine burgers, and sausages specially prepared with Marco's secret recipe. **Club Members are asked to bring either an appetizer / munchies or a salad. If your surname is from A - M please bring an appetizer / munchies and if your surname is from N - Z, please bring a salad.**

Tennis Lessons Anyone ? \$25 Special Offer

Another Member Benefit - back this year, by popular demand !

Your Board of Directors is pleased to announce a program offering members a **one hour** lesson with Club Pro Reggie for a **special price of \$25**. This offer is non-transferrable, applies to a single one hour session per adult member and is available to the **first 50 members that book**.

Subsequent lessons booked will be at Reggie's special Club Member price of \$45 / hour.

Book your lesson today by emailing Reggie at reggie@niagaratennisclub.com

If you have interest in a clinic series, let Reggie know and he will work on accommodating your needs, based on other member interest. Or better still, get together with some of your tennis buddies and organize a group lesson.

And The WINNER Is

Congratulations to Ron Davis, the winner of the **Early Bird Membership Draw**.

Ron was one of the many members that took the time to get his 2015 Membership Dues paid by the Early Bird Deadline of April 15th.

The volunteers that handle Club Membership and the Member's Directory would like to say "thank you" to everyone that took the time to get their membership renewals paid promptly. It helps reduce our administration workload.

Ron is the lucky recipient of a **FREE 2015 Club Membership**.

Defibrillator Training

Many thanks to all the Club Members that responded to our survey to determine who is trained, who is interested in being training.

We were pleased to see that 13 Members advise us that they have already had some level of defibrillator training.

12 Members have expressed an interest in getting this training and a training session is being held this Tuesday, May 26th in the Community Centre from 7:00 - 9:30 pm. The cost of the session is \$25 per person, payable at the course.

We still have a few open spots available so let us know if you are interested in joining us. Email askus@niagaratennisclub.com.

It's Your Club - Thanks for Helping

The Club really appreciates members helping to keep our facility tidy. Sometimes when you arrive at the pavilion or on the courts, things have been left

out of place!

It happens, that's life ! But we really appreciate **your** taking the time to put things back where they should be.

If everyone pitches in a bit, it lightens the load for others ... and better still, our Club is always looking great!
