

Ball Machine Program Rules of Use

- Ball Machine Group membership is an “individual” membership, not a “family” membership
- An **active** Club Member who pays in to the Program is an “Authorized User”.
- Authorized Users:
 1. Must sign an acknowledgement of the Rules of Use and a liability waiver to the Club;
 2. Are responsible for signing out the machine, ensuring it is used appropriately and locking it back in the storage room after use;
 3. **Must be ON THE COURT with the machine AT ALL TIMES and return the machine to the storage room after use;**
 4. Acknowledge that the User Fee applies to the use of the existing ball machine.
 5. Acknowledge that their status of Authorized User will be forfeited if Club Membership is lapsed.
- Although the ball machine is simple to use, there will be a short orientation session that each Authorized User must attend. Because of safety concerns (for example, stepping too close in front of the machine can result in injury) caution needs to be used when operating the ball machine with children on the court.
- Junior Members over the age of 16 can become an Authorized Users with written approval from the primary family member. Note that the same \$50 fee per person is required for qualifying Junior Members.
- Ball Machine use can be booked on GAMETIME for a one-hour session (Court 6 only)
- The ball machine is intended for use on Court 6, where a divider net is available to minimize disruption of regular court use. **Members must return the divider net to respective end of the court before leaving.**
- **The Board reserves the right to cancel Authorized User privileges if the Rules of Use are abused to the detriment of the “spirit of the program”.**
