**To Niagara on the Lake Tennis Club Members**

**DOUBLES!!!!**

What was to have been an exciting tennis season with construction of two additional tennis courts and our 50<sup>th</sup> Anniversary Celebration turned into a steep learning curve of protocols, sanitizing, Game Time, singles play, and now finally Doubles Play. !!

Member-run group organizers are ready to go! They have been in touch with their players to get them on the court at their usual blocked court times starting on Monday. Good Work !!

Club run groups will require email sign-ups. Anyone wanting to play in any of the Club run groups should contact the group organizer listed below.

And Finally ..... Please remember that this is a volunteer-run Club, many seen and unseen hours go into running it. This has been especially true this season with all the additional hours spent to get us back on the courts as quickly and safely as possible. HAVE FUN, RESPECT THE GUIDELINES, BE PATIENT, TALK TO A BOARD MEMBER. .... VOLUNTEER TO HELP OUT.
