

# Niagara-on-the-Lake May 5th 2020 Newsletter

## To Niagara on the Lake Tennis Club Members

Dear Members,

We hope that you continue to be well and safe.

There seems to be some light at the end of the tunnel. Around the middle of May, we are looking forward to future guidelines and possible opening dates from the provincial government, so we will keep you posted.

Due to the times we are in with Covid-19, the 2020 Membership Fees will be at the discounted (Early Bird) rate of : Single \$130.00 & Family \$260.00.

Rosemary Goodwin and Tady Saczkowski have been working on the 50 years of our Club History. We are including the first 10 years for you to read; please see the note below by Rosemary and be sure to click on the link to review the first 10 years. A direct link has been provided at the bottom of the Newsletter.

The club history has also been put on our web site. After you log in to view, go to the 2020 Newsletter section on the Club website News Archive page and click or tap on the History NOTL TC link.

Stay safe and all the best

Wendy Dell

P.S. Please note that this year the Club's 50th Anniversary Celebration has been postponed until 2021.

## Celebrating our 50th Anniversary

*Even though our gathering is delayed for the time being, we hope to get you in a celebratory mood by bringing you the story of our club. A summary is being created based on the records that were carefully maintained by conscientious club members over the years, but in particular through the stewardship of Irene Wall.*

*Clicking on the link will take you to our club website, where superstar volunteer Larry Mantle has set up the first section of the story. If you have any difficulty accessing it - or if you'd like a copy sent directly to you for easier reading or for making a printout - please let us know.*

*Although our records are very good, there are bound to be gaps. It would be wonderful if other material related to our Tennis Club happened to be found in cupboards or boxes during some of the cleaning and sorting that's happening in our lockdown time. The original club trophies are all in unknown whereabouts, for example.*
