We have some very exciting news to share with you.

Our Tennis Club has been selected to host the Tennis event for the 2022 Canada Summer Games. Together with the Welland Tennis Club we will see some of Canada's top tennis players participate in this prestigious event. As you may be aware some 20 sports will attract over 5,000 athletes to the Niagara area. The Tennis event is scheduled for August 6-13, 2022. Details of the Canada Games can be found at niagara2022games.ca.

Your Board has unanimously approved the Club's involvement with the Games. We have also received enthusiastic support from our Lord Mayor, Betty Disero and Marnie Cluckie the Town's CAO. Details will be reviewed by the Town Council shortly.

With our two new courts we can offer the very best tennis facility in the Niagara area. Hosting this prestigious event will dramatically increase our profile both on a local and regional basis.

As more details on the event become available we will keep all members advised.
