CHAMPIONS WEEKEND RESULTS

AUGUST 21 & 22, 2021

Another Fantastic weekend of tennis at the Club.

The new tournament format of beginning the first round on our respective weekday Club Night seems to have been a hit with our members.

Although there was a run in the local shops on ice packs, Voltarin and KT tape throughout the week, everyone was back in fighting form for the final rounds of competition on Saturday for the Ladies and Sunday for the Men.

Despite the sweltering heat on the court, each point was fought for and a final winner emerged. However, the on court score doesn't tell the full story! The spectators were the ultimate winners in being treated to some amazing tennis and great sportsmanship. Although a cliché, in this case it was just true -- FUN WAS HAD BY ALL.

A huge CONGRATULATIONS to the Tournament Champions and Finalists.

A very special thanks to the Tournament organizing team of Rick Sherk, Marilyn Francis and Holly Anderson.
