

# Tennis, anyone?

NOTL Tennis Club members got together for their first social event of 2022 — and the first in more than two years — with some games being played, and some time for fun, organized by Natalie Early and Nancy Marchese, with more than 100 members participating. Activities were organized by club professional Shawna Macfarlane. Former NOTLer and tennis professional Charlotte Patrick (right) was on-hand to enjoy some time on the court.
