

Niagara-on-the-Lake Tennis Club

June 2022

Countdown.... 59 Days Until the Canada Summer Games

**Back Together Again
Opening Day Social May 29th**

Perfect weather. Awesome on court fun with Shawna and team. Good company. Good food. We could not have asked for a better day to officially kick off the season.

Mixed Doubles Tournament June 24 and 25th

Tournament registration is well underway with a few spots still remaining. Don't be disappointed. You can still sign up at the following link: [Registration Form](#). If you have any questions, please give Marilyn Francis a call.

Not interested in playing? Spectators are always welcome. Bring a lawn chair and come hang out with your fellow Club Members to watch some great tennis.

Activity Around Our Facility

Be prepared for a lot of activity around our facility in the coming weeks. If you have been around the courts recently you will have seen work start on our kitchen drain. The messy part is now finished and the landscapers will be in shortly to repair the grass. We are just awaiting the final connection of the kitchen drain to the main water drain and then we can say goodbye to the black flex drain pipe snaking out our kitchen door. Hallelujah and thank you to the Town!

Installation of court lights on Court 1 & 2 is planned to begin in the next several weeks. This work will take place outside our playing surface, so it should not affect our court time. Two new light posts are being installed at the end of Court 1 and additional lamps will be mounted on the posts adjacent to Court 3.

Two commemorative benches are being installed by Court 2 so we should be seeing some cement pads being laid there in the next weeks.

The pavilion is scheduled for painting in the next month so don't be surprised to see some contractor activity around this space as well.

And of course, the much awaited court resurfacing will be commencing in the next weeks as well. As members are aware, this will mean that the four courts will be out of action for about a week. When these courts are closed, we will still have Court 1 & 2 available for play and all court use will be scheduled through GAMETIME, with no group bookings on that week.

If you are not currently using GAMETIME to book courts, this is a great time to get prepared on how to use the software. If you have any problems accessing GAMETIME contact Marilyn Francis for assistance.

Monday and Wednesday Morning Mixed Open Program

Monday and Wednesday morning drop-ins are proving to be a huge hit - forgive the pun. This is a great way for new and returning members to get weekly games, meet other members, and get invitations to join member and Club groups. There are 43 members registered on Team Reach for these two groups. Come down to the courts and give these sessions a try.

Call for Volunteers

The new windscreens for the Canada Summer Games will be installed the weekend of July 16/17. We are looking for 6 volunteers to assist. Please contact Rosemary Goodwin directly if you can help out.

Have Your Say

Take A Short Survey on Planning the Tennis Ball

It's been a while since the last Tennis Ball. We would like to bookend the season with an event as successful as our opening social. Please take a few moments to complete the survey at the following link. [survey](#)
It should take no more than 3 minutes

We are interested to know if you would like us to mix things up and try something different such as a brunch instead of a dinner. How far a field can we look for a venue? Are you interested in assisting with the party? No matter the format, it is definitely going to be a party!
