# A Warm Welcome to our New Tennis Club Members

Introducing.....

TAMMY LICHTY

A lefty, originally from the Niagara area, Tammy moved back from being “all over”.

She’s a new player, and hopes to play as much as possible.

GORDON STRATFORD

Gordon has played a lot of tennis, but not for the past 30 years. He moved to NOTL from Burlington/Oakville 6 years ago.

## BRINDUSA MAGAGNA

Brindusa is a “terrible” (her words) but enthusiastic tennis player. She loves many sports including golf and hiking. An interpreter working mostly with Emergency Services, she’s been in Niagara for about eight years with her family and two rottweilers. She’s looking forward to meeting people who share the same passion for tennis that she has.

## STEPHANIE ANTONUCCI

Stephanie joined last year and played a bit on Wednesday Ladies Night. This year she has added Friday night mixed doubles as a spare. Stephanie lives in NOTL with her husband and 2 children.

## BRAD BUTLER

Brad’s wife, Amber, joined the Club last year and it didn’t take much persuading to get Brad to join this year, especially since he’s been playing tennis all his life.

## KATY LI

Katy met Club stalwarts Anne Davies and Amanda Thackrey this past winter and was encouraged to join the Club. She had played tennis during high school and just picked it up again last Fall.

## SHANNON BRINDER

Shannon has recently moved to NOTL and has been playing tennis for 20 years, most recently at ORC. When not playing tennis, you can find her out for a hike, at the gym or just hanging out with her mini sidekick, Saffron. She is up for doubles or singles and looking forward to summer tennis and exploring the area more.

## RUTH FOTHERINGHAM

Ruth moved to NOTL from Aurora seven years ago. She's played a little tennis over the years but mostly singles. She was introduced to the Club by Donna Rodgers who has encouraged her to join the Wednesday Night Ladies group. She's enjoying the Serve Rally Play clinics and hopes to play a couple of times a week.

## HUSANI BASTIEN

Husani was born in Toronto and grew up in the USA. He returned to Canada about 6 years ago. Husani is a business owner, tennis fan, musician and life long learner. He started formal tennis lessons in 2022 but has been playing most of his life. He has a Masters Degree in Information Technology which he uses to incorporate technology / AI into the business processes of his company. He also enjoys cooking.

## SEAN HILLIKER

A high school teacher/coach at Westlane since 1999, Sean has played tennis recreationally from an early age. He grew up in Kingston and relocated to Niagara in the 90's. Sean enjoys tennis for a good work out and appreciates the friendly and welcoming nature of the NOTL Club, and is looking forward to being a part of it!

## MICHAEL SYZMANSKI

Michael was born in Niagara Falls, and was first on the courts as ballboy for his older brother. Eventually, after some nagging, they started hitting together and found they both loved playing together. After completing his Bachelor in Child and Youth Studies at Brock, Mike moved to London for two years to complete his Master of Social Work.

He's back in Niagara now, loves the Game and decided to join the Club "after meeting the one and only – Rosemary Goodwin".
