

ANOTHER FABULOUS SEASON DRAWS TO A CLOSE AT THE NOTL TENNIS CLUB

It seems in a blink of an eye we moved from the trees starting to show the fresh buds of spring, to vibrant fall colours.

Somewhere in between, we manage to fit in hundreds of hours of tennis, laughs, and great camaraderie. **WHAT A CLUB !**

As the leaves began to fall, our **Senior Men's Group on Tuesday and Thursday** mornings stepped up to help clear leaves, especially on Court 1 & 2, in the earlier part of fall.

By this time of year, it does get to be an impossible task, and the Town will move in with equipment to do a final leaf cleanup, before the snow flies.

Many thanks to all the guys that came early over the weeks to pitch in and keep our Club looking great.

AND YES, IT IS THAT "W" WORD - THE CLUB IS NOW "WINTERIZED"

Many thanks to the Hardy Boys! Under the tremendous supervision of Dominic Ventresca, a team of 20 men assembled to take down windscreens, signage, and our collection of court accessories and make sure all was neatly tucked away in our storage rooms for the winter season.

On behalf of all the members - a heartfelt thanks to these wonderful volunteers!

The courts are looking a bit bare, but the nets are still up and a few benches remain for any sunny days yet to come and a few end of season games!

The Town plans to leave the nets up until early December. At some point GAMETIME will be deactivated but the courts will continue to be available for play on a first come, first serve basis.

We will post a message on GAMETIME when the nets are finally taken down.

WINTER NETS ON THE OPEN ACCESS COURTS

The Town advises that, as in past years, they will be keeping nets up (with reduced tension) on the open access courts (Rye Park, St. Davids Park & Garrison Park) for any hearty souls that want to take advantage of some hopefully mild winter days to come, and bundle up for some outdoor winter tennis.

THE 2024 SEASON IS JUST A FEW MONTHS AWAY, CHECK OUR WEBSITE IN THE NEW YEAR FOR UPDATES

Although on court activities are wrapping up, your Board is already hard at work planning for next season. We would love to hear from you with any thoughts or suggestions for next season. We can't promise we will implement everything suggested, but we can promise that we will certainly listen.
