Roadshow Visits Niagara-on-the-Lake

The annual Spring Social at the Niagara-on-the-Lake Tennis Club included well over 100 members in beautiful spring conditions. The OTA's National Bank Roadshow including the Merchant of Tennis Smash Cage was a special feature, and

players enjoyed the challenge of measuring their serve speed as well as receiving tips from coach Simon Burden. The afternoon's festivities began with warmups led by a local fitness centre, then transitioned to the courts for a series of spirited drills and games led by teaching pro Shawna Macfarlane and her GoTennis team. Thanks to Merchant of Tennis for an excellent selection of racquets to try. John Ramsbottom helped players understand the options available in various racquet styles. The grand finale was dinner in the club's pavilion, all organized by club volunteers Nancy Marchese and Natalie Early.

The National Bank Roadshow will be visiting over 80 OTA-member clubs and community events across the province this summer! Look for it at a club near you!
