Important Dates

Saturdays Starting April 20th - May 4th 1:00 p.m. and 2:00 p.m.

We will be kicking off the season with our usual complimentary group clinics entitled Serve, Rally and Play. These start on Saturday, April 20th at 1:00 p.m.

and 2:00 p.m. There will be a total of 10 clinics wrapping up on Saturday, May 4th. Check out our Club website for full details. We ask that members register if they plan to attend. These free clinics are a great opportunity to brush up your game and to get acquainted/re-acquainted with fellow members. All skill levels are welcome.

May 26th is our Opening Spring Social. We will have a full, fun afternoon of tennis activities followed by an informal catered dinner under the Pavilion. This is a great opportunity to mix with fellow members and to get things planned for the new tennis season.
